

Josep Ubalde

Josep Ubalde obtained his PhD at the University Rovira i Virgili (2019) and his BA in Sociology at the University of Barcelona (2011).

He is currently a postdoctoral researcher (Juan de la Cierva) at the University of Lleida. He is member of the Research Group "Language and Education" (2021 SGR 996) and researcher of the Literatos project funded by the Spanish Government.

His lines of research focus on interethnic relations and language skills in the labour market. His works appear published in magazines such as International Journal of Intercultural Relations, European Societies or International Journal of the Sociology of Language.
